Department of Mathematics and
Institute of Applied Mathematical Sciences

The Department of Mathematics and Institute of Applied Mathematical Sciences at National Taiwan University invite applications for several openings at the levels of tenure-track or non-tenure-track assistant, associate and full professors, and for several post-doctoral positions. The positions begin from August 1, 2019 and are open for the research areas of

- pure mathematics, and
- computational and applied mathematics, probability and financial mathematics, statistical sciences, data science and others.

Candidates for professorships should have strong commitment to research and teaching. The teaching load may be reduced to one course per semester in the beginning period. The post-doctoral position is a one-year appointment, with a possible extension for one more year. Candidates are required to have received a Ph.D. degree before the start of their appointment and they should show strong research potential.

With donation from alumni, the department can possibly provide new faculty additional financial support up to three years. Young scholars with great performance in research and teaching can be awarded Junior Fellow. The prize awarded for Junior Fellow is half a million to 1.2 million TWD a year in addition to salary for five years.

Applicants for all positions please send a letter of application to the email address:
hiring@math.ntu.edu.tw
1. An up-to-date curriculum vitae
2. Recent publications
3. A research plan
4. Three letters of recommendation

Or to the postal address:
