2019 NCTS Postdoctoral Fellows

The National Center for Theoretical Sciences (NCTS) invites applications for 2019 Postdoctoral Fellows. NCTS aims at developing international multidisciplinary scientific programs, including conferences, workshops, seminars, special topic courses, and summer/winter schools, organized by center scientists, visiting scientists, and postdoctoral fellows. For more NCTS detailed information, please visit <http://www.ncts.ntu.edu.tw/>.

Description

The appointment starts from August 1, 2019 for 1 or 2 years, extendable up to 3 years. Every talent pursuing academic excellence is welcome. Priority will be given to applications by the following areas:

- Number Theory and Representation Theory
- Algebraic Geometry
- Differential Geometry and Geometric Analysis
- Differential Equations and Stochastic Analysis
- Scientific Computation
- Data Science

By all means, researchers from other fields are also welcome.

Required Documents

Please send the following documents to Ms. Annie Wang by **Feb. 28, 2019**.

- Curriculum Vitae
- Cover Letter
- 3 Letters of Recommendation
- Doctoral Dissertation
- Research Plan
- Reprints / Preprints
- Name(s) of Prospective Mentor

We also have a few positions available starting from Feb. 1, 2019. Please submit your documents by **Nov. 30, 2018** and indicate it in your cover letter if you would like to start from Feb. 1, 2019.
