

KMS Special Conference with 2022 Fields Medalists

Dear colleagues of the Mathematical Society of Japan (MSJ),

I extend cordial salutations on behalf of the Korean Mathematical Society.

I am pleased to inform you that the "KMS Special Conference with 2022 Fields Medalists" is scheduled to occur in a virtual format through ZOOM on October 26th, 2023.

We have invited all four 2022 Fields Medalists, who will be delivering plenary lectures in commemoration of the first anniversary of the 2022 Fields Medal. We cordially invite all those with an interest to join us through the ZOOM platform. For additional details, please refer to our website [[Link](#)], or alternatively, contact us via email at kms@kms.or.kr.

Sincerely,

Jongil Park

President of the Korean Mathematical Society
